

NAVY YARD TRACKS NOT TO BE REMOVED

The Pennsylvania railroad will not be allowed to remove its tracks on K street leading into the Navy Yard until two years have expired, and at that time it will not be allowed to put the siding on Government property as it has requested.

This was assured today by the House District Committee subcommittee on steam railways.

The subcommittee laid on the table the Pennsylvania railroad's bill asking authority to change the siding to Government property, and voted to report to the full committee a bill requiring the

TAFT TO SPEAK MAY 30 AT GRANT'S TOMB, NEW YORK

Secretary Taft will deliver the Memorial Day oration May 30 for the G. A. R. at Grant's Tomb, on the Hudson. A committee from U. S. Grant Post, No. 37, Brooklyn, called at the War Department this morning to extend the invitation, and the Secretary accepted.

After securing Secretary Taft's promise, the committee called at the White House to pay their respects to the President.

road to leave the siding in its present location for two years.

Within the next few days Representative Sims of Tennessee will introduce a bill authorizing the Government at the expiration of two years to build its own siding on Government property and make it connect with the Pennsylvania tracks.

POLICE COURT "OLD TIMER" GIVEN SIXTY-DAY TERM

After an absence of six months, Michael Gorman, who, previous to last November, has been one of the most reliable attendants in the District branch of the Police Court, was haled before Judge Mulwony today by Officer J. R. Hood. The charge was vagrancy.

Hood told the judge that Mike had been seen to approach about twenty pedestrians and ask for money. Mike swore that in each instance he begged only the loan of a match to light his pipe. The judge, therefore, was kind, and allowed Gorman space in the workhouse for a period of sixty days, during which time he will be able to clean his pipe. "Clean it well," said the judge, "and when you get out it will not require so many matches to keep it lit."

VIRGINIA REPUBLICANS INDORSE TAFT CANDIDACY

RICHMOND, Va., March 27.—The Fifth district Republican convention met at Rocky Mount, Franklin county, yesterday, indorsed the Administration, declared Taft the logical man to carry out Roosevelt's policies, and indorsed him for the Presidency.

B. A. Davis and Dexter Good were elected delegates to the Chicago convention.

TROOPS ORDERED OUT TO QUELL MINE STRIKE

SEATTLE, Wash., March 27.—Troops have been ordered from Fort Seward, at Haines, Alaska, to preserve order at the Treadwell mines of Douglas Island, where 800 miners are on a strike. The strikers, it is charged in dispatches here, have taken large quantities of powder from the mine stores and threaten to destroy the works if non-unionists are landed.

Colonel Green, commanding one company of the Tenth Infantry, left Haines last night with a galling gun, and should reach the mines at an early hour tomorrow morning. Another company stationed at Fort Seward was ordered to be in readiness to re-enforce the first company.
